LEASE AGREEMENT

This Lease Agreement is made as of the date written below by and between the Amador Fire Protection District (AFPD) and the County of Amador (COUNTY) (collectively the "Parties").

1. Recitals. The COUNTY is the owner of certain real property situated in the unincorporated area of the County of Amador, State of California, more particularly described in Exhibit 1, attached hereto and incorporated herein by reference (Property). At present, there is a building constructed on the Property (the Building), which was previously used by the Pine Grove Community Services District (PGCSD) and AFPD. The Property and Building were owned and managed by PGCSD, which has since dissolved. Since PGCSD has dissolved, it transferred the Property and Building to the COUNTY, and it has vacated the space it was using, which is presently vacant. The purpose of this Lease Agreement is to allow AFPD to continue leasing the space it leased from PGCSD and on similar terms.

Now, therefore, it is agreed between the Parties as follows:

2. Occupancy of Building. The Building shall be shared by the COUNTY and by AFPD. AFPD shall have the right of use and occupancy of approximately 2500 square feet, or 73% of the Building, further described as follows:

- (a) The main apparatus bay housing two fire engines;
- (b) The apparatus bay housing a medical squad vehicle;
- (c) The area of the building commonly known as the "meeting room"
- (d) Restroom facilities adjacent to main apparatus bays at south-east corner.

The COUNTY shall have the right of use and occupancy of the remaining approximately 950 square feet or 27% square feet of the Building. The portions of the Building to be used by each of the parties are as shown on the diagram attached as Exhibit 2, which is incorporated herein by reference. This Agreement covers only occupancy of the Building and does not extend to the adjacent park area.

3. Maintenance. The Parties shall each pay for routine maintenance and repairs respecting the area of the Building occupied by each. The Parties shall share the cost of pumping the Building's wastewater tank, as needed, pursuant to the proportionate shares set forth Paragraph 4. When significant maintenance affecting the whole of the building (e.g. painting, roofing) is required, as determined by agreement of both parties, the cost of such significant maintenance shall be borne by the Parties proportionate to the area of the Building occupied by each.

4. Utility Expense. The monthly bill for electrical service shall be paid by the COUNTY. The monthly bill for wastewater service to the Building shall be paid by COUNTY. Propane services to the Building shall be paid by AFPD. AFPD shall pay a monthly fee of \$1,500.00 per month.

5. Water Usage. The water bill for all water use unrelated to the fire hydrants will be paid by the COUNTY. There are two fire hydrants on the Property. The COUNTY owns and controls the wharf hydrant which is adjacent to the Building and draws non-potable water. AFPD may use this wharf hydrant without charge. If AFPD uses water from the wharf hydrant for fire practice drills or other non-emergency purposes, AFPD shall meter such water use and report the volume of water used to the COUNTY. Water used from the wharf hydrant for the purpose of emergency response shall be available to AFPD without restriction, tracking, or cost. The Amador Water Agency (AWA) owns the standard fire hydrant at the corner of Irish Town Road and Church Street. The COUNTY is not responsible for the costs of water used from this standard fire hydrant. AFPD is responsible for coordinating with AWA and for paying AWA directly for any costs related to the use of this standard hydrant.

6. Insurance. The COUNTY shall insure the structure for fire and extended coverage. Each Party shall carry its own standard form public liability insurance covering the portions of the Building occupied by each for the activities to be carried on by each, with a combined single liability limit of not less than \$3,000,000.

8. Indemnity. Each party to the Agreement agrees to protect, defend (including payment of attorneys' fees), indemnify and hold each other Party harmless from and against all claims or liability for any injury or damage to person or property occurring as a result of the acts or omissions of said Party or its agents, servants, or employees.

9. Use of Building. AFPD's use of the Building shall be solely for fire department and related purposes, and for no other purpose without the prior written consent of the COUNTY.

10. Term of Agreement. This Agreement shall be effective indefinitely, provided that either Party shall have the right to terminate this Agreement, with respect to each other only, upon giving not less than three (3) months' advance notice in writing of intent to terminate.

11. Non-Transferability. This Agreement is not assignable or transferable by any Party without the written consent of the other.
